Topics for discussion during meeting

Charter for the Restful Lake Community noted per Rich our charter is current and information can be obtained online, Denise will research and have copy for records if the question should be brought up.

Restful Lake Forum meeting notices will be sent to all board member with date and time.

It was mentioned that some residents are allowing family and friends to live in campers on their property and some board members want to discourage this due to no bathroom facilities.

It was also mentioned the if a family had a sleepover or weekend party this would not be an issue. But Not just letting someone live there for the summer which may be something to discuss with Newbury Township.

Subject of having the lake water tested and Denise said she did reach out to the county and E.P.A. with no response. H

She posed the question to the board on cost to purchase test that she found online, will pursue options.

Discussion about the internet was brought up and the board was told that Jeff contacted Spectrum and And had the T.V. connection removed, no further action on internet. It was stated at the Annual meeting

To cancel T.V. and go with WiFi and Denise will contact Spectrum to have this done.

Rich went over the financial report and discussed the dues collected, and members in the rear with dues owed.

Dave asked about the road project for Edgewater Dr. and questioned if Jeff had reached out to

G.A.R. paving with measurements of the project so that he could get other bids. The budget for the Project is \$14,000.00
