Financials

Rich printed and reviewed the financials with board members, taxes and bills for the community.

Rich also reported positive results in response to some of the liens recently issued to properties with outstanding dues.

Roads

Denise discussed the work done by Rosscape Landscaping & Excavating, LLC (Rosscape). The work done on Edgewater Dr. has been completed (ditching & culvert replaced). Rosscape also did ditching work, removed the old culvert pipe and put down gravel on Driftwood Rd.

Snowplowing/Landscaping

Denise also reached out to a couple snowplow/snow removal contractor(s) for the 2025-26 winter season.

Lake/Water

Kevin took another water sample from the lake, which was tested for the presence of E. coli by the Geauga County Laboratory. The sample came back to show “no detectable presence” of the bacteria.

Clubhouse, Community Events & Outreach

Bill Soplata (resident) attended this month’s meeting to discuss the upcoming community Halloween Party. Per Bill, Diana Black (resident) will organize the party. She could not attend the meeting herself. The Board will discuss the Halloween party in better detail during the September meeting.

MISC.

Dumpster Bandit announced the new weekly trash pick-up day for the community will be on **Thursday**.
